Kolbe Cathedral works with local universities to continuously add rigorous college credit courses, such as UCONN's Early College Experience, UB's Early College Credit, HCC, etc.

National Honor Society/Spanish National Honor Society/French Honor Society

The National Honor Society and Spanish/French National Honor Societies are the most prestigious academic associations to which students may belong. Academic achievement, leadership, character and service are the criteria used for membership in the National Honor Societies.

Academic Expectations

At the beginning of each semester, teachers post a detailed syllabus on PlusPortals. The syllabus includes a course description, specific content information, materials needed, course policies, grading policies and procedures and major long term assignments. All syllabi, homework assignments and grades are posted for students and parents on PlusPortals. Students and parents are provided with a personal password and are expected to track academic progress and other school information. Students are expected to maintain a 2.0 average. Students unable to meet this requirement by the end of sophomore year may be dismissed. Students are expected to maintain a 3.0 average for enrollment in the honors program. All students will take annual standardized tests for college readiness and program assessment

Deficiencies

Students are expected to complete every homework assignment to the best of their ability and on time. When a student does not meet this expectation they are given one day to complete the assignment for 75% credit, two days late for 50% credit. Students are expected to complete the homework assignment within one week of its original due date to receive partial credit. Parents will receive both verbal and written communications from teachers when assignments are not completed.

Challenge to Achieve

Any freshmen who scores 69% and under on a test must attend a review session with a teacher within a week of receiving the results of the test. Then, they must schedule time with their teacher to revise, edit or retest. The highest a student can achieve on a CTA is a 70%. If a student does not attend a review session, the teacher must send home an Academic Deficiency Report and call home. A copy of the report must be given to an administrator. Students who score 70 or higher on a test are not allowed to take a CTA.

Note: the CTA is **not** available for sophomores, juniors and seniors.

Mid-Term and Final Exams

All academic courses end with a final exam worth 10% of the final grade. 18 week courses will have midterms also worth 10% of the final grade. Students must take the exam on the scheduled day and time unless a serious illness can be documented or prior arrangements have been made by a parent with a school administrator. Students who do not take a final exam at the scheduled time and who do not have a doctor's note will be assigned a Saturday detention. All tuition accounts must be up-to-date before an exam pass will be administered

Failure to take a mid-term or a final exam will result in failure for the course.

Make-up Policy

A student who is absent on the day of a previously announced test must take the test on the day the student returns to school. It is the student's responsibility to approach the teacher on the day he/she returns to arrange for makeup. Students are expected to use PlusPortals to obtain assignments given during their absence. Makeup tests may never be given during class time. All work missed during an absence must be made up according to individual teacher's stated policy.

Tutoring and After School Extra Help

Tutoring and extra help is available. Each teacher posts his/her extra help schedule. Students must sign up ahead of time and stay for the entire session. Students may also request a peer tutor from their teacher or from their guidance counselor. The library is open every day until 3:45 for homework, tutoring, extra help and independent library research. Library rules apply as posted. Peer tutoring is offered from members of the National Honor Society, Spanish National Honor Society and French Honor Society.

Summer Reading

All students are required to read at least two assigned books during the summer and honors students are required to read at least three. Students must pass 1 assessment for each book on test day in September. Students will receive .125 credits in English for passing summer reading. Students may not pass to the next grade without passing all summer reading assessments. *Students, who do not pass both reading tests, will be required to attend summer school at Kolbe Cathedral for a fee.*

Summer School

Students will be required to attend summer school for specific class failures. Students must attend summer school unless otherwise notified by their guidance counselor. Behavioral Expectations & Policies

Concern for the well-being of others, respect for authority and cooperation are essential elements of our school environment. Students are required to contribute to the Kolbe Cathedral community in a manner that is consistent with Catholic beliefs. They are required to be respectful, exhibit self-control and act responsibly.

The policies provide students with a clear understanding of behavioral expectations and the consequences for failure to comply with school rules. Behavior that disrupts or impedes the welfare and progress of the school community or brings discredit to the school will not be tolerated. Students are held accountable for their behavior in and out of school, including off-campus activities. Students are subject to penalty for using the Internet to harass or bully fellow students.

All faculty and staff are responsible for enforcing school rules throughout the building and campus, not just in their classrooms. Students are expected to comply with directions from any staff member.

The following infractions will result in recorded consequence: disruptive and inconsiderate behavior, disrespect or insubordination to faculty/staff, unauthorized absence from school or class, vandalism, stealing, cheating/dishonesty, games of chance and or card playing, bringing unauthorized visitors to school, computer misuse, any use of tobacco products, tobacco delivery systems or e-cigarettes, use of controlled substances, possession of a laser pointer, unauthorized use of all personal electronics devices, cutting a personal detention, dismissal from class, use of profanity, harassment or continual disregard of rules.

The Administration reserves the right to dismiss any student who fails in conduct or attitude to meet the regulations and policies adopted by the school.

School Infractions

Attendance/Tardiness and Truancy

Regular attendance is a requirement for successful completion of each class. The first class of the day begins promptly at 8:15 A.M. Students are expected to be fully dressed in their uniform and in their seats working at the time of the bell. Excessive absenteeism may result in failure, including but not limited to extended vacations while school is in session. The school calendar provides built-in vacation time for this purpose.

Parents are requested to contact the school between 7:30 and 9:30 A.M. to report absenteeism to the Main Office or leave a voicemail. Any student absent from school without parental permission is considered truant and will serve a Saturday detention known as JUG. Repeated truancy may result in expulsion. Students arriving to school after 8:15 will serve a school detention that day. Parents will be notified via phone or email in the event a student is tardy. Students who have 5 occurrences of tardiness will have a parent meeting with the administration. A 6th occurrence will result in a Saturday detention (JUG). After a student receives a 2nd JUG for tardiness, a Board of Review will be convened to review the case and recommend whether or not the student should continue at Kolbe Cathedral.

Cell Phone and Personal Electronic Use Policy

All personal electronic devices, such as cell phones, smart watches, iPods, tablets, and accessories (such as head phones and speakers) must be out of sight and sound by 8:10am and until 2:15. Students who prefer to store their phone in the main office may do so. Electronic communication devices are allowed to be brought to school but they should never be seen or heard by any teacher or administrator unless a teacher has specifically instructed you to use the device for an educational purpose, in the classroom, while under teacher supervision. Use of personal communication devices for non-educational purposes **is not permitted in** Kolbe Cathedral High School. This includes but is not limited to communication of any kind with your parents, employer and friends. Students are encouraged to use a devices for downloading books and articles, taking notes, doing research, or giving presentations.

When an electronic device is seen, heard or causes any disturbance, it will be confiscated and returned to the student after a conference with an administrator. A second violation will result in a school detention and the device will be returned to a parent **ONLY**. A third violation will result in JUG and the parent must sign a contract stating that a fourth violation will result in surrender of the device for 7 days. Refusal to hand over the device becomes a more serious violation. Student will be removed from class and the parent will be notified. Students will be given a JUG as well. **Parents who need to contact their students should call the main office.** Phones may be used for personal communication **ONLY** in the lobby outside of the gym and not on any other floors. Texting, tweeting, use of Facebook, shopping and all other non-educational purposes are strictly forbidden.

Food and Gum Infraction

Eating food or drinking beverages outside of the cafeteria is not permitted. Gum chewing is not permitted in the building at any time. The student will pay a \$1 food and gum fine each time the rule is violated up to five times. Repeat offenders will serve a detention. If the rule continues to be ignored, a JUG to remove gum from desks and other furniture will be assigned. Please respect all property.

Uniform Infractions

Students who are in violation of the dress code will be sent to have a conference with an administrator to review the uniform policy as well as a phone call to a parent to discuss the uniform infraction. A second violation will result in a phone call to a parent and a school detention. A third violation will result in a JUG. Lesser violations and general sloppiness such as un-tucked shirts and untied ties will result in a school detention.

School Policies

Building Policy

The school provides supervision in the cafeteria beginning at 7:00 a.m. Students should report there before school. Students needing to use the library, see their Guidance Counselor or a teacher must arrange to get a pass ahead of time. Students are not free in the building without a pass until the 8:00 bell rings.

Loitering after school is not permitted. Students must be in supervised activities by 2:20 P.M. or leave the building completely. The library is open for studying and homework until 3:45pm and

there are a variety of clubs and organizations. Students waiting for activities or rides are to wait in the outer gym lobby. The building will generally be locked at 4:30. Students with later activities such as a 5pm practice or game are expected to leave campus when the building closes and return for their activity.

Bullying/Hazing/ Sexual Harassment Policy

Bullying, hazing or sexual harassment will not be tolerated. This includes any verbal, physical, or online behavior that is unkind, offensive or harmful to one or more parties. An infraction may occur even if all parties are willing participants. If a student is being harassed or treated unkindly by anyone, that student should tell the offender to stop and report to a guidance counselor or administrator within one day of the occurrence. A written complaint will be filed to initiate an investigation. Any initiation rituals or “hazing” of freshmen or other students is a serious offense. Violators will face serious consequences that could include expulsion.

Early Dismissal Policy

A parent must submit a written request for an early dismissal. A phone call from the parent is required to confirm the dismissal. Parents/guardians must sign the student out of the building. Dismissals before noon are considered absences. Early dismissal may have a negative impact on the student’s academic performance for the last class period of the day and may keep a student from being on the honor roll.

Academic Honesty Policy

Honesty and integrity are essential values for the Kolbe Cathedral community. Plagiarism, taking credit for another student’s work or allowing another student to do so is cheating. Cheating is dishonest and unacceptable. The student will serve a JUG. Students who copy, plagiarize or try to take credit for another’s work must stay after school to complete or re-do the assignment to demonstrate knowledge, skill or understanding. Cheating may jeopardize admission to or membership in the National Honor Society or eligibility for honor roll. A second offense may result in dismissal.

Lavatory and Locker Use

Students must be in class to learn. Frequently leaving the class room is disruptive to the learning process. The daily student schedule includes a 5 minute passing period between classes for use of lockers and lavatories. Students are given an emergency pass in each class. Students who exceed this will incur a penalty unless a doctor’s note is presented.

Probation Policy

A student may be placed on probation for excessive absenteeism, tardiness, failure of academic subjects or continued discipline problems. Once on probation, the expectation is that the student takes responsibility and makes the necessary changes. Failure to demonstrate improvement will result in greater penalty and may jeopardize his/her continued enrollment at KCHS.

Technology Policy

The use of technology is a privilege not a right. Students may use personal or school computers and others technologies for educational purposes ONLY. They are expected to make responsible, ethical, and appropriate use of all electronic devices and information services at all times. Inappropriate use will result in disciplinary action. Each student must sign an acceptable technology

use agreement and his/her parents must sign a technology permission form for the student to have use of school computers and other electronics.

Consequences for Non-Compliance with School Rules and Policies

Personal detentions are given by a teacher for infractions that are antagonistic to classroom routine. Personal detentions are a minimum of 20 minutes. Failure to attend will result in a disciplinary referral to administration.

School detentions are given for more serious infractions. Detention is held everyday after school from 2:20 p.m. to 3:00 p.m. Complete uniform, a school planner, total silence, and compliance with the proctor's instructions are required. Arriving late to detention or being asked to leave detention will result in a double detention. If a student fails to attend an assigned school detention without permission from the dean or without a prior phone call from a parent, the student will serve escalated consequences: 2nd detention, JUG, ISS, OSS.

Put Out of Class occurs when a student is disruptive to the learning environment. The student must report to the dean of students or assistant principal. Students will be kept out of class for a short time-out and returned to class at the discretion of the administrator. Being put out of class may result in disciplinary action.

Principal's Detentions are given for when an infraction warrants more serious disciplinary action than a school detention or for repeated minor offenses. Principal's detentions are served from 2:20-4:20 on a day as assigned by an administrator.

JUG, a Saturday detention, may be given for disrespect of a staff member, academic dishonesty, cutting school, cutting repeated school detentions, or serious inappropriate behavior as determined by the administration. JUG may also be given for repeated noncompliance with school rules. JUG is held on Saturdays and begins promptly at 8:00 a.m. Complete uniform and compliance with the proctor's instructions are required. No student is admitted to JUG after 8:00 a.m. Failure to attend will result in serious consequence.

In School Suspension (ISS) is given for serious infractions or as an escalation of repeated offenses. Students in ISS are not allowed to attend classes, but must complete all work for that school day. It is the student's responsibility to collect all work and materials from their teachers at the start of the school day. The student will have to remain after school to get notes or assigned homework.

Out of School Suspension (OSS) is given for the most serious infractions. During the time of suspension, the student must continue to take responsibility for learning. The student is responsible to get notes and make-up all missed assignments. Students with OSS may not attend or participate in any school or athletic activities that day. A parent must accompany the student to school for a conference with an administrator or Dean of Students before being readmitted.

Board of Review

The assistant principal may convene a Board of Review when a student demonstrates a continued disregard of rules or behaviors that are deemed a serious breach of school policy. The board will be comprised of faculty members and students chosen by the administration. A guidance counselor serves as an advocate for the student during the process. The board will meet with the student and

parent to review the behavioral difficulties. The board will make a recommendation to the administration regarding future action. Such recommendations may include expulsion.

Dismissal from Kolbe Cathedral may occur for failure to meet academic expectations and/or the code of conduct.

Expulsion is employed in extreme situations. A student can be expelled for the following reasons: possession of a weapon; fighting; possession, selling or using alcohol or drugs; threatening a faculty member; malicious damage to school property; accumulation of school detentions; and any behavior that dishonors the Kolbe Cathedral Community. Students are held accountable for **ALL** on and off campus behaviors.

General Information

Assembly Conduct

Students are expected to give full attention during assemblies. This attention is manifested by a respectful attitude and appropriate behavior. Booing, whistling and yelling are inappropriate and unacceptable.

Athletics

Students who try out for any interscholastic team are required to have a sports physical. Membership on a team is both a privilege and a responsibility. Therefore, to be eligible to play on any team, a student must be earning three credits each semester. Team members traveling to other schools must represent Kolbe Cathedral values and attitude at all times, including the time on the bus. Coaches reserve the right to determine eligibility for transportation.

According to the Connecticut Interscholastic Athletic Conference policy, any student found using performance-enhancing drugs by their school/school district will immediately be disqualified from further participation in CIAC sponsored sports for a period of 180 school days on each occurrence. Kolbe Cathedral may monitor their student athletes to assure that they are drug free.

Bus and Transportation Information

The city of Bridgeport no longer provides school bus service to high school students. Bridgeport resident students, who live 2 miles or more from the school; as determined by the Board of Education will receive a monthly GBTA bus pass free of charge. The Board of education will determine whether a student qualifies for a bus pass. Bus passes will be distributed by a Kolbe administrator. Students are expected to follow the Kolbe Cathedral code of behavior while riding on the GBTA bus. Failure to adhere to standard bus rules as outlined by the city and to respect the authority of the bus driver may cause a student to lose their privilege to ride the bus, a civil penalty, and a school disciplinary penalty.

Cafeteria Service

Students may bring their own lunch or purchase cafeteria items. Energy drinks such as Red Bull and 5 Hour Energy are not permitted. While in the cafeteria, simple rules of courteous behavior and good manners are expected of all students. Students are to clean their table after use and throw all trash into containers. Food may not be taken out of the cafeteria. Students may only leave the cafeteria during lunch with permission from a proctor. Cell phone use is not allowed during lunch periods.

Clubs and Organizations

Students are encouraged to take part in the extra-curricular activities. These include soccer, basketball, softball, baseball, volleyball, bowling, cheerleading, SADD, newspaper, student council, choir, Build On, Just K, and class officers. Students in the building after school must be in supervised activities. Students should make transportation arrangements within 15 minutes after the end of the activity. Loitering is not permitted.

Fire Drills and Other Emergency Procedures

Fire Drill exit routes are posted in each classroom. Exit the building following the teacher's direction, quickly, quietly and without running or talking. Evacuation drills require students to exit the building and leave the grounds promptly. Lockdown and stay in place drills secure students in the building in the event of an exterior threat. No one will be allowed admittance or released from the building until the threat has been lifted. All drills should be considered serious.

Guardianship & Change of Address/Phone

All students must reside with a parent or legal guardian. Emancipated minors cannot attend Kolbe Cathedral. If a parent/legal guardian is away and temporarily assigns guardianship to someone else in their absence, the school must have written permission to call upon this person in place of the parent. If there are court ordered bans prohibiting any person from student contact, an administrator or guidance counselor must be notified. Important messages from a parent/legal guardian will be given to a student at dismissal unless there is an emergency. Parents/guardians will be called by the school nurse or administrator if a student is too ill to remain in class. Immediately notify school officials of change of address and/or phone and email.

Lockers

Each student will be assigned a school locker by their first period teacher. Students are given a Kolbe Cathedral combination lock upon their first day of enrollment and only school combination locks may be used. Students who lose their lock may purchase a new or used lock, if available, in the bookstore or main office. Combinations and lockers should not be shared. Lockers may **never** be left unlocked. The school is not responsible for lost or stolen items. Lockers may be accessed before the first period of the day and in-between classes. The administration reserves the right to conduct a locker/backpack search when they believe there is just cause.

Nurse

The city of Bridgeport provides a school nurse to Kolbe Cathedral. Students must have a pass from a classroom teacher to see the nurse. Only the nurse or an administrator may decide if a student is too ill to remain in school and only the nurse or an administrator may contact parents to bring students home. *Students who call their parents directly to come and pick them up are in violation of school policy.* All freshmen and transfer students are required to have a full health examination and updated immunizations by December 31st of the calendar year in which they are enrolled at Kolbe Cathedral.

Parking Rules

Students who drive to school must register their cars in the main office to receive a parking permit which must be displayed at all times on school grounds. The parking area found between Kolbe Cathedral and St. Augustine School is available for students. Unsafe driving and/or irresponsible

behavior will result in loss of parking lot privileges. Students may not park in the lot closest to the school. Students may not go out to their cars or drive during school hours. Students may enter the parking lot by way of Washington Avenue and must exit by way of the lower lot onto Calhoun Place. Students must be dropped off and picked up on Calhoun Place to avoid congestion and accidents in the school parking lot.

Tuition and Student Records

The parents/legal guardians of students accepted to Kolbe Cathedral enter into a contract with the school: Kolbe Cathedral High School agrees to provide a quality, Catholic education and the parents/legal guardians agree to pay for that education through tuition. Tuition accounts must be paid in a timely manner. Final exams will not be administered and student activities may not be attended by students until financial obligations are met. Transcripts will not be released with obligations pending, however, parents/guardians may request to inspect and review their student's record by appointment with the guidance counselor. Seniors may have five (5) transcripts at no charge. Additional transcripts are \$3 for students. After graduation, the fee is \$5 per transcript.

Telephone

Students may not leave class to make phone calls. The office phone is not for casual student use. Students may step outside of the building at 2:15 p.m. to make personal cell phone calls. In case of an emergency, students who need to contact their parents during the day should come to the main office and talk to an administrator.

Visitors

Visitors may not be invited into the building without first seeking authorization from the administration. Only school secretaries and administrators will open the school doors to outsiders. Students should never open the door to strangers. All visitors must sign in at the main office and prominently wear a visitor ID at all times.
