

Kolbe Cathedral Parents,

The yearbooks are in the process of being created. The yearbook is a great place to show your senior how proud you are of him or her for graduating. It's very easy for you to put an ad in for your child, sibling, or friend's yearbook. The yearbook staff will work with you and your family to meet your specific requests. This is a very important time in your senior's life and everyone likes to know that they are making their parents proud. Please consider this special opportunity; the prices are the following:

Prices

Full Page – \$130

Half Page – \$90

¼ Page – \$60

1/8 Page – \$40

If you wish to place an ad in the yearbook, please fill out the form on the back. Have your senior bring this form with cash or check and any pictures you wish to place in your ad to Kolbe Cathedral High School and return them to Mrs. Grover. You can email digital photos to us at lgrover@kolbecaths.org; we will return these photos to you after we scan them. Do not send pictures of the pictures. These become blurry when printed in the yearbook.

Please see the school's website for when the ads are due. Thank you for helping us make this yearbook successful.
