

Dear Parents and seniors:

The senior class is selling ads to businesses in order to offset the cost of the yearbook. Please ask the stores and businesses you frequent or that are in your neighborhood if they would like to place an ad in the yearbook. The stores and businesses don't have to be in Bridgeport.

We are also selling Senior Recognition ads. This is for parents, relatives and friends to show how proud they are of their senior. Let us know what you want to say to your senior and the Publishing class will design the ad for you. You can include pictures if you desire. You can send the pictures in to me and I can scan them or you can send me the scanned photo. Please do not take a picture of it as these become blurry when printed in the yearbook. You may also design your own ad online and pay with a credit card at ybpay.lifetouch.com using school code **12107818**.

Additional forms can be found on Yearbook page on Edline.

Any senior who sells \$300 in ads will receive the cost of yearbook refunded to them from their senior fees.

Please see the school calendar for the due date for the ads.

Thank you,

Mrs. Grover (lgrover@kolbecaths.org)
Yearbook Advisor
